### Why ActiveYards®

ActiveYards® fencing systems meet the most stringent pool safety codes. Pools are for relaxation, not worry. We want to keep you and your family safe and stylish. Pool safety is a must, and safety can be synonymous with style when it comes to ActiveYards' pool code approved fences.

Certain styles of ActiveYards fences are pool code approved at the national level. It is important to keep in mind, however, that codes do vary by state and locality. We will help you select the right solution that meets national and local pool codes.
