AY tip

A good rule of thumb for pool safe fencing is to have rails be a minimum of 48" apart. A dropped bottom rail allows us to offer pool safe options with a shorter and more cost effective fence.

AY tip

Privacy panels can also be used for all your pool, protection and decorative fencing needs.

Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted fencing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price. Whatever problem you're trying to solve, we have a solution for you.

Whether you are seeking privacy for or from your environment, seeking protection for your prized possessions, completing the final touch around your pool, or just looking to add decorative curb appeal to enhance the value of your home, ActiveYards has your solution. You will start your shopping process with ActiveYards by selecting a solution from our Privacy, Protection, Pool or Decorative options.

3³ ways Shop. Select. Install.

We offer the freedom of choice from how you can shop for your fencing solution to the actual installation. After you choose the style that best serves your need, we provide a series of quality grades and designs to select from. And finally, you decide which installation option best suits your project and budget.

Whatever you decide, we will help you every step of the way. The result of the choices you make will provide you with YOUR fencing solution for life.

Our Ingenuities. Your Advantages.

SOLARGUARD™

Color that Lasts

Every fence we make is infused with our exclusive color retention technology, which helps protect it from the harmful rays of the sun.

GLIDELOCK™

Privacy & Strength

Our GlideLock® design makes sure each board locks tightly into place without any gaps providing you the seclusion and privacy you want for your yard.

STAYSTRAIGHT™

Perfectly Balanced

StayStraight® technology is the exclusively engineered ActiveYards rail system designed to prevent substantial long term bowing or sagging.

CORIGIN™

Fortifies the Core

An innovative construction system that connects the pickets and rails from the inside out producing a longer lasting, stronger and better looking fence.

CAMBIUM™

Natural Beauty

Our Cambium® technology gives you all the natural looking beauty of real wood, without the need for continued upkeep and maintenance.

STAYSQUARE™

Perfectly Strong

StaySquare® Gate Systems featuring innovative gate pockets are exclusively engineered for strength without the use of a brace.
